Tuesday, Sept. 23 <sup>rd</sup> , 2014	9:00 am – 4:30 pm	

Where: Raritan Valley Community College, Room 101, 118 Lamington Road, Branchburg, NJ 08876

### Course Content & Schedule:

8:30 am: Registration and Sign-In (All students must be pre-registered and course fees prepaid.)

### **Course Description:**

The course uses the “Hazardous Materials Management Desk Reference” as a text and comprehensive review of Federal Environmental Laws and Regulations and the basic health and safety principles. It is designed to assist individuals preparing to take the Certified Hazardous Materials Managers (CHMM) national certification examination administered by the Institute of Hazardous Materials Management (IHMM). While course participants have passed the CHMM certification exam at higher than average rates, no guarantees for passage can be offered. Text Book and Course Materials are included.

### **Topics Covered:**

- The statutory and regulatory framework of environmental and hazardous materials management.
- Compliance Standards and State-of-the-Art work practices on:  
Hazardous Waste Treatment, Storage and Disposal; Hazardous Material Storage; Packaging;  
Radioactive Materials; Workplace Safety; Spills; Cleanup; Hazards Assessment and  
Communication.
- Basic and applied hazardous materials management principles, controls and concepts
- Science and technology of hazardous materials management
- Chemical and physical characteristics
- Sampling and analysis
- Biological effects of hazardous materials
- Toxicology, Geology/hydrology

**Course Instructors:** The Course will be presented by a team of instructors from the New Jersey chapter who have over 80 years of combined expertise in the subject matter and in teaching the topics.
